This discount is already reflected in the fees above for kindercare. The fees above are the parent portion of our fees. If at any time the government withdraws the \$450 monthly funding, please note that the parent portion of the fees would be increased by \$450 per month.

Government subsidy is also available for families who apply and qualify. To find out if you qualify, check out the link to the government subsidy website under quick links on our main page.

We are unable to offer care on PD days at this time as Our Lady of the Evergreens is a host school on PD days and therefore the school is not available to us on those days
