### \*NOTES:

Currently, the Alberta Government is paying \$450 per month towards kindergarten out of school care fees for every child registered in full time kinder care. This discount is already reflected in the fees above for kinder care. The fees above are the parent portion of our fees. If at any time the government withdraws the \$450 monthly funding, please note that the parent portion of the fees would be increased by \$450 per month.

The Alberta Government is going to be covering the cost of the increase in our monthly fees for KinderCare for the 2023/2024 school year. \*\*Please note that if at any time the government withdraws the cost replacement monthly funding, the parent portion of the fees would be increased back to the original amount per month noted in the brackets above. We will notify you via email if this occurs.

The 2022/2023 school year was the last year we were offering care that does not include PD Days.

Government subsidy is also available for families who apply and qualify. To find out if you qualify, check out the link to the government subsidy website under quick links on our main page.
